

INSTRUCCIONES DE MONTAJE PUERTA CORREDERA GRANDE

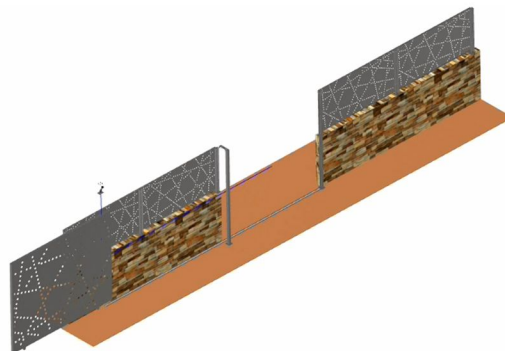

Paso 1

Colocar la guía en el suelo poniendo todos los puntos de anclaje correctamente.

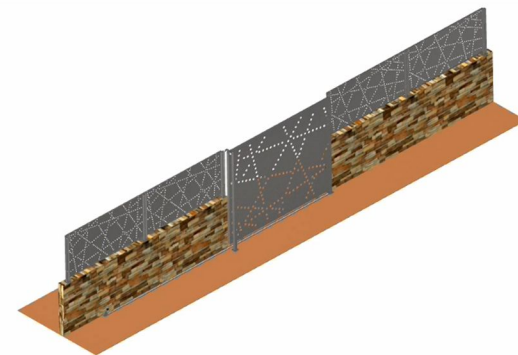

Paso 2

Colocar el poste sujetándolo al suelo con el poste guía asegurándose de que esté a nivel.

Paso 3

Meter la puerta dentro de la guía y poner el poste de final de la puerta para evitar que la puerta no se salga.

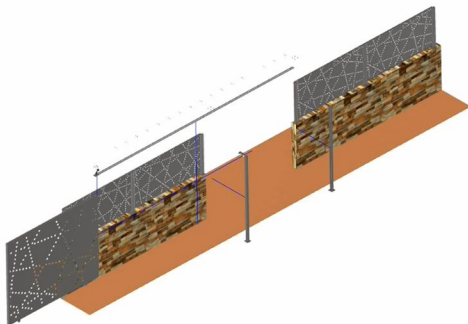

Herramientas necesarias

- Nivel
- Martillo
- Llave de 17 mm
- Taladro

ASSEMBLY INSTRUCTIONS LARGE SLIDING DOOR

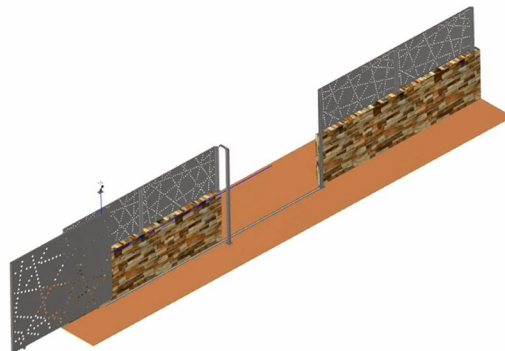

Step 1

Place the guide on the floor with all the anchor points correctly positioned.

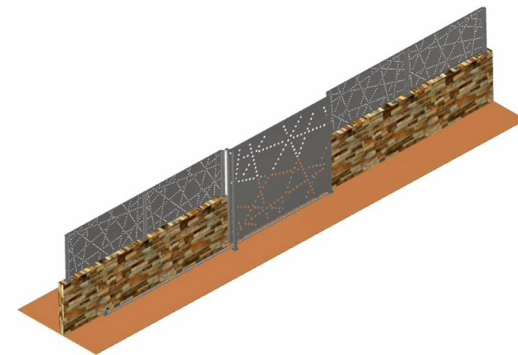

Step 2

Position the post by securing it to the ground with the guide post making sure it is level.

Step 3

Put the door into the guide and put the end post on the door to prevent the door from sliding out.
